

# CONSOLVER

*Sugar Derived Concrete Cleaner*

**Ready-Mix, Precast, Block  
Concrete Dissolver and Remover**

**ENVIRONMENTALLY  
RESPONSIBLE**

**THE MOST BIODEGRADABLE AND  
ENVIRONMENTALLY FRIENDLY CONCRETE REMOVER!**

***2X Stronger than Leading Sugar Concrete Remover!***

- Sugar Based Concrete Remover
- Safe for Equipment and Fleet Vehicles
- Will Not Etch Glass
- Safe for Metal and Better Employee Safety
- Cherry Scented and Non-Irritating
- Fast Acting on Concrete and Lime
- Descales and Cleans

Directions: Apply Consolver to vehicle, equipment, or tools undiluted. Apply by spraying area to be cleaned starting at the bottom and working upwards. Allow cleaner to penetrate and dissolve concrete for five minutes. Reapply for heavy concrete. Rinse clean with fresh, high pressure water from a power washer. Safe for use on glass, painted surfaces, aluminum, chrome, or steel.
